SEEKING WORK

Highly responsible graduate student with an excellent academic record seeking position to demonstrate my abilities and learn new skills through challenging and rewarding work. While I get my graduate degree, I am interested in getting experience that will support a future career in a field related to my Biology major. I am organized, self-motivated, friendly, and have a strong work ethic. Core competencies include:

- ArcGIS
- R Coding
- MS Office: Word, Excel, PowerPoint
- Google Suites: Gmail, Google Docs, Sheets, Slides
- Types 75 wpm
- Detail oriented
- Written and verbal communication
- Problem solver
- Adobe Photoshop/Illustrator
- Krita Art Software

EDUCATION

- Current Master's of Science in Biology student at California Polytechnic Pomona
- 4.00 GPA
- Thesis: How does temperature affect bite force variables in the Southern Alligator Lizard (*Elgaria multicarinata*)
- Bachelor's of Science in Biology with a minor in Studio Arts at California Polytechnic Pomona, graduated 2025
- 3.97 Total GPA, 4.00 Major GPA
- Summa Cum Laude and President's Honor List 2021-2025
